Chief,

On 08/03/16 I went to the residence of Officer Malicki at approximately 0805hrs. I knocked on/rang the doorbells for each of his 3 exterior doors. This process took approximately 4-5 minutes with no response from within the residence. There was one vehicle in the driveway. A white Kia Sorento, IL license # [REDACTED] At approximately 0930hrs I arrived at [REDACTED] IL. This is the address that was listed on the Sick Leave Report for Officer Malicki. Upon arrival there was a large dog (possible German Shepard) in the window barking loudly and continuously. After a couple rings of the doorbell I was about to leave. Then a woman, who stated she is Officer Malicki's [REDACTED] answered the door. I asked if Paul was there and she replied that he was. I then asked to speak to Paul. His [REDACTED] stated he is very sick and that she doesn't want to wake him. However, the above dog was continuing his loud barking. I thanked his [REDACTED] for answering the door and wished her a good day.
